Old Business

Brooklyn County Share A Day: Do we want to have a virtual Share A Day or skip it this year? Last year there were about 30 people on Zoom. Suggested date: Saturday, November 9th, 2024. Same day as the Bill W dinner-dance.

Discussion

1. Not worth the expense and effort for such a small turnout
2. Brooklyn known for its Share A Days: people come from all over.
3. Let's wait till next year to be able to offer BCSAD in person.
4. All day on Zoom cannot provide the fellowship that the in-person BCSAD offers
5. As the pandemic closed down in-person BCSAD since 2020, it would be nice to have it back face to face

Vote on BCSAD: Hold it virtually in November?

Yes	0
No	18
Abstentions	4

Brooklyn County Share A Day will not take place this year.
